Dear Sir:

I am writing to you to express my thanks for the award received in honor of your name.

I grew up in central Illinois, in a small town called Illiopolis, and graduated from the Illiopolis High School in 1982. I enlisted in the Navy in the Nuclear Power Program immediately after graduation. Upon completion of prototype in 1984, I was assigned to the USS Ohio (SSBN 726). While there, I applied to the Naval Academy and received orders to the preparatory school here in Newport. I graduated number two academically and number one overall. I was the battalion commander second trimester and again for the post academic and graduation period. I hope to maintain these standards throughout the academy.

Once again, I want to express my sincere appreciation for the gift and the honor of the award presented to me in your name.

Sincerely,

James Lee Hancock
