

March 29

160 WEST EIGHTY SIXTH STREET.

My dear Sir:

I find that I shall
not be able to let you
have the article I promised
you on Farragut on time
— April 1st This has been
due partly to indisposition,
partly to my previous en-
gagements dragging on
longer than I reckoned.

If, notwithstanding, you
still wish the article, I
do not think the delay
will be long; but I should
like to know whether you
will want it under the
circumstances

Very truly Yours

A. T. Mahan
