

This picture will be interesting to you, I think; for, these are the huge single stones inside this stone fortification which surprised the executive officers of the U. S. S. Froquois some 50 years ago. — "From Sail to Steam," p. 253.

Step by step, my translation is approaching to its final success; but, as it is my aspiration to make it the best one in this country, it will take much more time.

732 Shimo-shibuya
Tokyo, Japan.

Union Postale Universelle

CARTE POSTALE

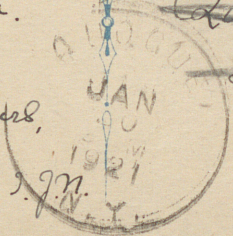

Dec. 25, 1920.
