

Navy Department,

BUREAU OF STEAM ENGINEERING,

Washington, July 1st, 1885

Sir;

The Bureau has accepted the offer of the Herreshoff Mnf'g Co. to make certain repairs to the Steam Launch No. 62, to be done under the supervision of Passed Assistant Engineer Entwistle; and has directed them to arrange with you when the boat shall be sent to their works for these repairs.

Respectfully,

Chas H. Loring
Chief of Bureau.

Lt. L. C. Logan, U. S. N.,
