Plan for Participation of Submarine Division TWELVE in Grand Joint Exercise Number FOUR.

1. Submarine Division TWELVE less NAUTILUS will participate in Grand Joint Exercise Number FOUR. All information regarding this exercise is given in Commander Blue Force Estimates, Plans and Orders for Grand Joint Exercise Number FOUR.

2. The submarines of Submarine Division TWELVE less NAUTILUS will act as a unit of the Blue Force as the Advance Observation Force under Commander Submarine Division TWELVE. The HOLLAND and the ORTOLAN will operate under orders of the Commander of the Train. The Exercise is divided into four phases: -

- Phase "A" - Embarkation.
- Phase "B" - Movement Overseas.
- Phase "C" - Landing and Attack.
- Phase "D" - Subsequent Operations.

PHASE "A"

TASK ORGANIZATION

(a) Submarines present.

1. This force is concentrated in the San Pedro-San Diego Area in accordance with orders of the Navy Department.
 2. This force will make all necessary preparations and be in all respects ready to proceed to Hawaiian Area for the purpose of assisting at the recapture and holding of Oahu and the controlling of the area.
 3. (a) Be in all respects ready to sail on 1 February.
 4. Fuel to capacity. Obtain necessary supplies.
 5. Commander Submarine Division TWELVE in HOLLAND. Use normal communication channels.
-

PHASE "B"

TASK ORGANIZATION

- (a) BASS
- (b) NARWHAL - Lieutenant Commander Brown.
- (c) BARRACUDA - Lieutenant Commander Wilkes.
- (d) BONITA - Lieutenant Commander McCann.
- (e) ARGONAUT - Lieutenant Commander Doyle.

1. The Blue Force plans to establish beach heads on Oahu ready to begin the attack at minus two hours on eleven February.

2. This force will proceed independently to the Hawaiian Area and upon arrival operate secretly in the service of information. The ARGONAUT will plant marker buoys (dummy mines) off the beaches selected for the landing of troops.

3. (a) Sortie from San Diego Harbor on signal, about zero nine hundred, on one February. Great Circle Course will be steered to Point "S", then to a point off Laie Bay Island of Oahu to observe and report the conditions of the proposed landing beaches. Regulate speed to arrive off Laie Bay at zero six hundred on nine February. After dark proceed to Point S-1. On ten February, when informed by ARGONAUT that she is West of Kohuku Point, return to vicinity of Laie Bay and observe and report conditions of the landing beaches. After dark return to position S-1 until time to depart for Station in Phase "C".
- (b) If in San Diego sortie on signal, about zero nine hundred on one February. If in Mare Island when in all respects ready for sea proceed by great circle course from the Farallons to Point "S" then to Point S-2. Occupy this position until time to depart for Station in Phase "C".
- (c) Sortie from San Diego Harbor on signal, about zero nine hundred, on one February. Great circle course will be steered to Point "S", then to a point off beaches "D" and "E" to observe and report the conditions of the proposed landing beaches. Regulate speed to arrive off Beach "D" at zero six hundred on nine February. After dark proceed to position S-3. Occupy this point until time to depart for station in Phase "C"

- (d) Sortie from San Diego Harbor on signal, about zero nine hundred, on one February. Great Circle course will be steered to point "S", then to the south coast of Oahu to observe and report the activities off this station. After dark proceed to position S-4. Occupy this station until time to proceed to station for Phase "C"
- (e) On one February proceed from San Diego to North Coast of Oahu so as to arrive off coast at daylight on ten February. Plant marker buoys in positions given below.

BEACH	LATITUDE			LONGITUDE		
	°	'	"	°	'	"
A	21	- 40	- 28	157-54	-	48
B	21	- 41	- 20	157	- 55	- 18
